**NOTICE OF WITHDRAW OF PETITONER'S MOTION FOR RELIEF FROM STAY**

Now comes the Petitioner, Derrick Drew, by and through counsel, and hereby respectfully moves this Court to withdraw its Motion for Relief From Stay filed on September 1, 2023 (D.I. 396). The Motion for Relief from Stay was based on representations from YRC, Inc. that it had sufficient insurance limits to cover the damages asserted in Mr. Drew's pending lawsuit. Since that time, Mr. Drew has information that there may not be insurance limits that apply to his claims. The reasons for withdrawing the previous Motion for Relief from Stay is more fully set forth in the accompanying memorandum attached hereto.

Respectfully submitted:

**FACTS RELEVANT TO THE WITHIN MOTION**

On May 3, 2021, Petitioner Derrick Drew drove a 1985 Chevrolet Caprice westbound on 75<sup>th</sup> Street in Kansas City, Missouri. Simultaneously, Andrewson Belcher drove a 2000 Volvo DL Tractor-Trailer also traveling westbound on 75<sup>th</sup> Street near Petitioner. As Belcher, who was in the left lane, entered a green light intersection he attempted to turn right across traffic but struck Petitioner's vehicle which was properly traveling in the right lane of 75<sup>th</sup> Street.

Mr. Belcher was in the course and scope of his employment and/or agency with YRC Inc. d/b/a YRC Freight at the time of the subject collision. Mr. Belcher failed to exercise the highest degree of care in operating the YRC Tractor-Trailer and was negligent in a number of respects. Most notably, by making a right turn from an improper lane and striking Petitioner's vehicle. Not only is YRC vicariously liable for the negligence of Mr. Belcher, but it also failed to use ordinary care in its training of Mr. Belcher and/or its allowing of Mr. Belcher to operate a Tractor-Trailer on its behalf.

On March 29, 2023, Petitioner commenced an action in the District Court of Wyandotte County, Kansas therein captioned *Derrick Drew v. YRC Inc. d/b/a YRC Freight and Andrewson Belcher*, Case No.2023-CV-000215. Petitioner prayed for compensatory damages in excess of \$75,000.

On or around August 7, 2023, counsel for Plaintiff in the Kansas case found out that Yellow Corporation had filed for bankruptcy along with many of its subsidiaries, including YRC Inc. Debtors moved for joint administration of Yellow Corporation's bankruptcy with many of its subsidiaries, including YRC Inc. This was confirmed when on August 17, 2023, counsel for YRC Inc. filed a suggestion of bankruptcy in Case No.2023-CV-000215.

Petitioner moved this Court requesting relief from the automatic stay protections of 11 U.S.C. §362 such that his claims against the Debtors in Case No. 2023-CV-000215 might proceed forward

based on prior representations from YRC Inc. under oath that “the underlying policy...has sufficient limits to cover the damages in the underlying lawsuit” and likewise produced a declarations page showing liability insurance of \$6,000,000.00 through Old Republic Insurance Company. Since that time, Mr. Drew has learned that YRC Inc. may have a large deductible prior to this layer of insurance applying, this has not been able to be confirmed by YRC Inc. Because of YRC Inc. potential conflicting representations regarding insurance, Mr. Drew moves to withdraw his Motion for Relief from Stay at this time due to the potential uncertainty regarding applicable insurance coverage.
